Join Featherstone

Last Modified on 11/23/2026 1:11 pm EST

Featherstone Community Credit Union has served Featherstone Falls since 1952, when twelve mill workers pooled $60 to start a credit union of their own. Today we're 22,000 members strong, and we're still owned by the people we serve.

Who can join

You can become a member if any of these apply to you:

- You live, work, worship or go to school in Ashby County.
- You work for one of our partner employers, including Featherstone Falls Public Schools and Ashby Regional Hospital.
- You're related to, or live in the same household as, a current Featherstone member.

What you'll need

- A government-issued photo ID, such as a driver's license or passport
- Your Social Security number or taxpayer identification number
- Your date of birth and a street address (we can't use a PO box as your home address)
- A $5 deposit into your membership savings account. This is your share in the credit union, and it stays in your account for as long as you're a member.

Federal law requires every financial institution to collect and verify this information when you open an account. It helps protect you, and everyone else, from identity theft and fraud.

How to join

1. **Online:** select **Become a member** on featherstonecu.example. Most applications are approved in about 10 minutes.

2. **At a branch:** stop by any of our three branches. No appointment needed.

3. **By phone:** call (555) 014-3300 and we'll walk you through it.

Your savings are federally insured by the National Credit Union Administration (NCUA) up to at least $250,000.
