Bill pay and transfers

Last Modified on 11/23/2026 1:12 pm EST

What you want to do	Use this	How fast
Move money between your Featherstone accounts	Transfers	Instant
Send money to another Featherstone member	Member-to-member transfer	Instant
Pay a company, like your utility or landlord	Bill pay	1 to 3 business days for electronic payments; 5 to 7 for mailed checks
Move money to your account at another bank	External transfer	2 to 3 business days
Pay a friend using their phone number or email	Pay a person	Usually within minutes

Set up bill pay

1. Sign in and select **Bill pay**.
2. Add a payee using the account number on your bill.
3. Choose a one-time or recurring payment and the date it should arrive.

Only send money to people you know and trust. Payments to people are like handing over cash, and they usually can't be reversed once sent.
